#### INFORMATION:

**Wednesdays:** Afternoon dive charters are a good way to enjoy a single wreck dive charter. We load the boat starting at 4:30 PM and depart right at 5:30 PM every Wednesday. As you can see by the schedule we alternate between the Willie and other Milwaukee area wrecks. Depending on the wreck location we return between 8:00 PM and 9 PM. Cost per trip is \$80.00 or save money with a 4-dive package for \$275.00. 10 dive package \$500.00. We try to limit the number of divers on each charter to 12, so sign up early.

**Thursday:** Kimm survey charters are booked by calling 414-426-0889. These are special charters for surveying a shipwreck, see main schedule for dates.

**LAST Thursday of month:** New diver charters at special reduced rate of \$50.00. Special rental gear rate of \$60.00. Call PC 414-482-1430 to sign up. See main schedule for dates.
